Donley Building Services
PO Box 1756
O'Fallon, MO 63366

Donley Building Services has been cleaning our school now for over 4 years. I want to let you know that we are still very pleased. Donley has met or exceeded all my expectations. Bottom line you do a good job and respond immediately to any issues or extra needs that arise.

I have found that communication with a family owned company has been much faster, simpler and more effective than any of our prior experiences which were with franchises who were not involved in the actual contact bidding and didn't always think well of the corporate offices.

Thanks for being attentive to this account and I hope to continue working with you for a long time.

Jim Hager
